Our exhibitors speak out

« The exhibition is the occasion
to meet a large part of the french
and international cheese industry. »

Schmidhauser

« Attending this exhibition from 1996,
the Cheese and Dairy Products Show
is the best place to give appointment
to our clients: wholesalers,
cheesemongers and cheese importers. »

A jury of professionals distinguishes the best products presented by the exhibitors.

An exhibition supported by the professional organisations and main actors within the sector.

Our visitors say

« Quality conversations, companies availables and products always of good quality. »

« It is my first year of business and to have a professional cheese exhibition is essential !

Meeting producers, wholesalers is very important, speaking in person and enjoying advises from one side to the other. »
